OUR SPONSORS

HUDSON RIVER FOUNDATION
for Science & Environmental Research, Inc.

TOYOTA
National Sponsor

YPRC will provide all equipment including boats (we use single and double sit-on-top kayaks), life jackets and paddles. YPRC will also provide safety-trained volunteers on and off the water in a protected cove at JFK Marina to make sure that every participant is safe and has a rewarding experience on the water.

Individuals are welcome to walk-up and sign up on the spot as long as space is available. We encourage groups of 8 or more to register on our website to schedule a day and time in advance to participate in this program. NO ONE will be allowed on the water without a signed waiver form. Youth less than 7 years of age ARE NOT allowed to participate in the program due to insurance regulations.

Detailed information about the program including contact information, an FAQ section and waiver forms that can be downloaded and completed before you arrive can be found there. If you have any general questions about the program or would like to speak directly with our group coordinator, please email: freekayak@yprc.org and someone will respond as soon as possible.
